The Special Leave Petition of the Petitioner

**MOST RESPECTFULLY SHEWETH: -**

1. The present Special Leave Petition is preferred against the order dated 22.08.2022 passed by the Hon'ble High Court of Madhya Pradesh, Jabalpur, Bench at Indore Misc. Criminal Case No. 36625 of 2022, filed by the Petitioner seeking the anticipatory bail, which was dismissed by the High Court.

**2. QUESTIONS OF LAW:**

The following questions of law arise for consideration by this Hon'ble Court:

- A. Whether Ld Trial Court and Hon'ble High Court should have not considered the fact that the most essential part section 27 of the Evidence Act that the statement made before the police must lead to the recovery of the substance?
- B. Whether Ld Trial Court and Hon'ble High Court should have not considered the fact that the prosecution failed to establish any corroboration between the two accused and the Petitioner?

- C. Whether Ld Trial Court and Hon'ble High Court should have not considered the fact that the police could not produce any Call Details Records or any Trace any transactions which can establish any kind of role of the Petitioner in Crime No 39 of 2022?
- D. Whether Ld Trial Court and Hon'ble High Court should have not considered the fact that both the main accused have already been granted bail by the Hon'ble High Court?
- E. Whether the Hon'ble High Court should have not considered that though the Petitioner had withdrawn the earlier Application seeking Anticipatory Bail , but still he had a right to file Second Bail Application before the Hon'ble High Court under section 438?
- F. Whether Ld Trial Court and Hon'ble High Court should have not considered the fact that it is very easy to implicate anyone in the crime by misusing section 27 of the Evidence Act, and the onus remains on the prosecution to prove it in the Court of law with the help of some concrete evidence to implicate the suspect?
- G. Whether Ld Trial Court and Hon'ble High Court should have not considered the fact that life of the Petitioner will get ruined as it will be a big blow on his social as well as personal stature?

**3. DECLARATION IN TERMS OF RULE 3(2)**

The petitioner states that no other petition seeking leave to appeal has been filed by him against the final order dated 22.08.2022 passed by the High Court of Madhya Pradesh, at Jabalpur, in M.CR.C No. 36625 of 2022.

**4. DECLARATION IN TERMS OF RULE 5**

The annexure P-1 to P- produced alongwith the SLP are true copies of the pleadings/documents which found part of the records of the case in the Court/Tribunal below against whose order leave to appeal is sought for in this petition.

**5. GROUNDS:**

Leave to appeal is sought for on the following grounds:

- (i) Because both the Courts below did not appreciate the fact that the most essential part section 27 Evidence Act is that the statement must lead to recovery, in the present case there is no recovery made from the whereabouts of the Petitioner.
- (ii) Because both the Courts below did not appreciate the fact that the police could not produce any evidence to establish any corroboration between the two accused and the Petitioner.
- (iii) Because both the Courts below did not appreciate the fact that the police did not produce any thing like CDR, Bank Transaction etc to prove any connection of the Petitioner with the crime No 39/2022.

- (iv) Because both the Courts below did not appreciate the fact that it is very to implicate anyone in any crime by misusing section 27 of Evidence Act.
- (v) Because both the Courts below did not appreciate the fact that the Petitioner has no criminal history.
- (vi) Because both the Courts below did not appreciate the fact that the Petitioner is willing to co-operate with the authorities, all he is praying to be on the bail.
- (vii) Because the Hon'ble High Court did not appreciate the fact that both the main accused have already granted bail.
- (viii) Because both the Courts below did not appreciate the fact that prima facie there is nothing against the present Petitioner.
- (ix) Because both the Courts below did not appreciate the fact that the petitioner can no way hamper the trial or influence the witnesses as he is just doing some private job.

**6. GROUNDS FOR INTERIM RELIEF:**

Interim Relief is sought for on the following grounds

- 1) For that the petitioner has a good case on merit and he seeks liberty of this Hon'ble Court to refer to the grounds urged in the main petition while arguing for the interim relief.

- 2) For that the petitioner would suffer irreparable loss if no interim relief is granted to the petitioner as his arrest would not only make the present petition infructuous but would also adversely affect his career and his reputation and social life.
- 3) For that there is no criminal antecedent of the petitioner. He is a reputed person in the society and as he belongs to a respected family, there is no chance of his interfering with investigation or him absconding.
- 4) For that the petitioner has been falsely implicated in the present case and there is no need of any custodial interrogation in the matter.
- 5) For that the parents of the petitioner are old and he is the one who takes care of them, in a way the whole family is dependent on the petitioner.

## **7. MAIN PRAYER**

In the facts and circumstances mentioned above, the petitioner respectfully prays that this Hon'ble Court may be pleased to:
